Financial Support Policy

True Hope Ministries of America does not utilize a set fee structure for either our General Members, Ministry Members who have been issued Ministry Credentials nor for those churches or parachurch ministries that are duly chartered by this ministry.

Rather, we believe in the principle of sowing and reaping and doing so according to our free will based on what we are actually able to give, that is, what we have in our possession which is the basis for true stewardship and stewardship is a display of our actual level of faith:

“For the kingdom of heaven is as a man travelling into a far country, who called his own servants, and delivered unto them his goods.

“And unto one he gave five talents, to another two, and to another one; to every man according to his several ability; and straightway took his journey ...”
Matthew 24:14-30

Therefore, in order to truly be in spiritual partnership with True Hope Ministries of America and to be actively engaged in our purpose to mutually “Help One Another Accomplish What God Has Called Us To Do”, we require that each of our Ministry Members make a financial commitment to give a monthly amount to support this ministry as the Lord has already enabled each one to do, whether you choose to place your tithe amount with us – if we are your spiritual storehouse – or to make a monthly contribution based on what you have as we are told in 2 Corinthians 8:11-12 - -

“Now therefore perform the doing of it; that as there was a readiness to will, so there may be a performance also out of that which ye have.

“For if there be first a willing mind, it is accepted according to that a man hath, and not according to that he hath not.”

We do not agree with what are commonly called “faith pledges” which are promises to pay something that you do not currently have only if and when God miraculously drops that amount into your finances!

We only agree with what Scripture teaches us as in the above passages and that is all that we ask of our Ministry Members.

Your faithful performance of your commitment is a point of consideration each year with your request for a renewed “Letter of Good Standing” and continuation of your ministry credentials with True Hope Ministries of America.

MEMBER’S FINANCIAL SUPPORT COMMITMENT

I hereby pledge to provide financial support to True Hope Ministries of America in the amount of \$_____ each month.

This pledge is based on what I am realistically able to provide and is not a “faith” pledge nor a promise that is based on finances for which I am praying for God to provide in the future but rather, in accordance with 2 Corinthians 8:11-12 I am making this commitment according to what I have and not according to what I do not have.
